

PARANORMAL INVESTIGATIONS

Conduct your paranormal investigations and ghost hunts in one of the UK's most haunted historic locations. With 1,000 years of history to its name, Oxford Castle and Prison has many secrets within its walls.

During a ghost hunt you will get exclusive access to St. Georges Crypt, the base of the tower, the prison cells, debtors tower and the top of D-Wing.

We will also provide you with a guided tour of the site and access to the Castleyard Cafe. Here you can have breaks and briefings.
